

Cheslyn Hay Tennis Club are organising a tennis trip to watch the Birmingham Classic Women's Event at Edgbaston Priory Tennis Club on Saturday 20th June. The event is for everyone involved at the club who wish to go: children, juniors, adults and parents.

The tickets will be on for the **semi finals** day of the singles and doubles events. The Birmingham Classic is a WTA Premier level women's tennis tournament which attracts world-class players to compete in both singles and doubles on grass. Previous champions include Billie Jean King, Maria Sharapova, Angelique Kerber and Petra Kvitová.

Juniors who are going to the event without parents will be travelling on the train on the times below like previous years. Times are subject to change slightly and will be confirmed closer to the date. Train tickets will be purchased for all juniors travelling as a group along with those adults who agree to help with supervision of other children.

Other adult members/ families who are attending the event are able to join us on the train to the event on times or can make their own arrangements. I will not purchase your train tickets – you will need to make you arrangements for this- I think this will be easier.
